Key Responsibilities:

- Provide a range of therapeutic treatments, including massages, facials, and body treatments, tailored to guests' needs.
- Conduct thorough consultations with guests to assess their individual preferences and wellness goals.
- Maintain a clean and organized treatment environment, adhering to health and safety regulations.
- Stay updated on industry trends and techniques to continually enhance service offerings.
- Collaborate with the wellness team to create a harmonious experience for guests.
- Uphold the spa's standards of excellence in service, professionalism, and guest care.

Qualifications:

- Relevant certification and training in massage therapy and/or aesthetics.
- Proven minimum 2 year experience in a spa or wellness setting, with a passionate focus on customer service.
- Strong communication, English and interpersonal skills.
- Ability to work flexible hours, including weekends and holidays.

Benefits:

- Competitive salary and commission structure.
- Opportunities for professional growth and advancement.
- Being part of an award-winning & globally recognised wellness team.
- Access to continued training and professional development

How to Apply:
